

Invitation for Faculty Positions at IPM School of Astronomy

IPM School of Astronomy (SoA) invites applications for tenure track faculty positions. Currently, SoA has two active research groups working on observational astronomy with an emphasis on extra galactic astronomy and theoretical cosmology with an emphasis on early Universe cosmology.

We invite all eligible candidates with expertise on:

Observational Astronomy

Observational Cosmology

Theoretical Astrophysics

Computational Astrophysics/Cosmology

Theoretical Cosmology

to apply for these positions. The preferences are given to applicants with working experiences in internationally recognized institutes.

The deadline to send the application is **December 15th, 2017**.

For further information please contact Habib Khosroshahi (habib at ipm.ir) or Hassan Firouzjahi (firouz at ipm.ir).

Please send your application with a full CV, statement of research interests and 3 recommendation letters to:

Hassan Firouzjahi

Institute for Research in Fundamental Sciences (IPM)
