

## Post-doctoral position in Astronomy and Cosmology

School of Astronomy, IPM, Tehran, Iran

School of Astronomy at the Institute for Research in Fundamental Sciences (IPM) invites applicants to fill up to 4 full-time post-doctoral positions in the following disciplines in astronomy and cosmology.

- Early Universe Cosmology
- Structure Formation
- Observational Galactic and Extra-galactic Astronomy
- Computational Astrophysics
- Instrumentation

The positions are funded for 2 years with a possibility of 1 year extension. Immediate start is desirable. Applicants must have earned a PhD in Astronomy, Physics or a related field before employment commences.

To apply, send a letter stating qualifications and background; curriculum vitae, a statement of research interests and two confidential professional references, of which one should be obtained from thesis supervisor or current employer, to [habib \[at\] ipm.ir](mailto:habib@ipm.ir) (preferred) or

Dr Habib Khosroshahi (chair)  
School of Astronomy, IPM  
Araj, Larak Garden  
P. O. Box 19395-5531  
Tehran - IRAN

Only complete applications will be considered. Applications received by end of July, 2014 will be given full consideration, although applications will be accepted until the positions are filled.

Enquirers can be sent to firouz at [ipm.ir](http://ipm.ir) (theoretical cosmology/structure formation) or habib at [ipm.ir](http://ipm.ir) (observational astronomy/cosmology/computation/instrumentation).
